

Request for Council Action

Originator Engineering	Item Resolution for Agreement to Federal Lands Access Program Project Memorandum of Agreement Terms and Conditions which also includes the Federal Lands Transportation Program for Old Cedar Avenue between Old Shakopee Road and the Minnesota River
Agenda Section Consent Business	Date 3/21/2016

Description

The City Council is requested to approve the resolution for agreement to the Federal Lands Access Program (FLAP) Project Memorandum of Agreement Terms and Conditions which also includes the Federal Lands Transportation Program (FLTP) funds and authorize the City Engineer, Public Works Director and City Manager to sign and execute any necessary agreement documents related to these funds.

The City applied for and received a FLAP grant for \$816,000 to construct a trail along Old Cedar Avenue between Old Shakopee Road and the Old Cedar Avenue Bridge. The City has also been working with US Fish and Wildlife Service (FWS) to make improvements in the area of the Old Cedar Avenue Bridge and the FWS parking lot. As part of those improvements, FWS is contributing \$670,000 of FLTP funds for work in the parking lot.

Prepared by: Julie Long, Sr. Civil Engineer

Presented by (if needed): Shelly Pederson, City Engineer

Requested Action

Adopt this Resolution for agreement to the Federal Lands Access Program Project Memorandum of Agreement Terms and Conditions which also includes the Federal Lands Transportation Program and authorize the City Engineer, Public Works Director and City Manager to sign and execute any necessary agreement documents related to these funds.
